Barrier Systems

Products & Services

Barrier Systems

Restricted Access Barrier Systems (RABS)
Down Flow Booths
Aseptic Isolators (Rigid and flexible)
Containment Isolators (Rigid and flexible)

Products & Services

Sterilization

Sterilization Technology

Dry Heat Ovens

Steam Sterilization Autoclaves

Ethylene Oxide Sterilization Autoclaves

Steam -Air mixture sterilization autoclaves

Superheated water sterilization autoclaves

Products & Services

Process & Water

Pure steam generators
Multiple/simple effect stills
Water treatment and purification equipment
Storage and distribution systems for
pharmaceutical quality water
CIP/SIP
Waste Treatment Systems (Biowaste)

Products & Services

Clean Room Systems

Clean Room Equipment

Pass through boxes (SAS)

Air showers

LAF for filling lines

Modular LAF

Products & Services

Freeze Drying

GMP freeze-dryers
Loading and unloading systems (LyoGistics)

Products & Services

Lyo Lab

Laboratory freeze-dryers
